Happy autumn to all.

I must confess. The October meeting came up faster than I even thought of getting the September letter out, soooo.. here's both of them in one newsletter.

Attending both meetings were Ron Golden, Connie Teator, Harriett Rasmussen, Jeanne Bear, Kathie Williams, Rosemary Lambert, and Don Teator.

September also saw Phyllis Beechert, David & Judy Rundell, Toot & Betty Vaughn, Gerald Boomhower, and Dot Blenis.

October also saw Arlene Brown and Martha Turon.

We spent all of our September meeting selecting our honorees for the 2002 calendar. Actually, we spent the first 30 minutes looking at the 2001 calendar, and relating the feedback we had heard. I'm not sure why but I've had a half-dozen people say they thought the 2001 calendar is the best one yet. Could it be they were just trying to make me feel good? Or does their memory not exceed a year? Anyway, it is nice to hear compliments about the calendar, and especially to hear about people's memories that connect to the pictures.

Back to the recognitions. We looked over our list of selections, and made notes about them all. After a couple of rounds of ballots, the GLHG will recognize Harry and Cris Ketcham in the 2002 calendar.

Then, we went to the three shorter deceased recognitions, and went through the

note-taking again. After a couple of ballots, we had narrowed our selections to Bill Vaughn, Arnold Nichol森, and Captain L. Gumport.

One of my winter projects will be to gather information about these people and about the pictures we had already selected. If needed, be ready for a phone call for help.

The October meeting was also a share session. We discussed some of the 2002 calendar pictures, telling stories and memories that may or may not have connected.

Next, Harriett had taken the school picture of the 2001 calendar and produced a "Where Are They?" list, which is enclosed. If you know more about some of these people, give Harriett a call. (I have to assume you have a 2001 calendar. Otherwise, the list will not make much sense.)

We looked over the fliers for the Thomas Cole house exhibit, drew attention to the reprint of William Helmer's *Rip Van Winkle Railroads*, and examined the natural beauty of the library gallery exhibit of Tom Teich's black and white photographs and of Barry Hopkins pencil sketches.

The next meeting is November 13, our last meeting of the year. Bring whatever you have to share.

Using the 1906 Norton Hill school picture, along with her genealogy files, Harriett Rasmussen filled in vital statistics for some of the students and adults. If you know of other information (especially those with no information listed), let Harriett know.
