

Greenville Local History Group Newsletter

Spring 2003, Issue 137

Annual Report

As I write this, the calendar says spring, but the weather is saying March, or worse.

I must admit that I've let too much time go by, and our first meeting is upon us on April 14. Our traditional potluck dinner went by the wayside for lack of a place, and the planners were busy. Perhaps, we can pull it off next year.

So, my usual reason for getting the newsletter was gone, and I procrastinated. This is the long way of saying, "Welcome back" and let's take a quick look back at 2002 and a quick look ahead to 2003.

Our year included two sessions of taping Walter Ingalls, the Chamber of Commerce slide show of about 1970, Harriett's transcribing more of the Eleanor Ingalls diary, as well as the inclusion of historic pieces worth copying.

Look ahead, and looming large on our horizon is Greenville's bicentennial. I'm sure many of you are involved in organizations that may be participating, but perhaps there is a separate role for the GLHG. If so, let us know at some meeting soon or contact me. I've been asked to create a photo show that will be displayed in the town buildings. Those of you who read the local papers have read about some of the town's plans.

The calendar, as usual, represents a very visible reminder of our local his-

tory, and many of you have also contributed artifacts or knowledge of Greenville's history that shows in our calendar.

Our first meeting will be a share session, so come with a story or two, or some piece of Greenville history.

I've included in this newsletter, a copy of the 1897 Assessment Roll of the town. Imagine if the assessments of the property owners were to be distributed today in booklets as was done, as is demonstrated in this copy, until 1950!

Anyone wanting to renew or make a subscription to the newsletter can send \$5 for a year's worth of news. Checks can be made out to, and mailed, to Don Teator, 3979 Rt 67, Freehold NY 12431. (expiration dates are on the mailing label)

Also, if your address has changed, let me know. And, if you'd rather I address your mailing label differently, let me know. In addition to my address, I can be reached at 518-634-2397, and for the computer literate, I can be emailed at teator@surferz.net.

I hope to see you at the share session
